Message *from* Chief Advisor

I feel elated and extremely confident to welcome you to AADIM NATIONAL COLLEGE (ANC) family. AADIM NATIONAL COLLEGE was opened in recognition of the need for the provision of a broad system of educational excellence, one that would meet the demands of parents who want their CHILDREN to be equipped with the necessary skills and moral qualities to prepare them for the challenges of the modern world. If, as I did, you have chosen to entrust AADIM NATIONAL COLLEGE with your beloved CHILD's education, you have made the best choice. ANC vision stands on our beliefs and vows to change every student into an ambassador for their own semblance. Education is not only a way of learning new things but also looking at the world in a different way. Let me accumulate my content experience of 30 years in a magic listing that can help you make a correct decision for life. Placement is our utmost priority and lasting relationship with corporate world is being initiated to ensure worthy placements to our students. The College has a galaxy of qualified faculties. We strive to produce responsible and excellent quality IT and Management professionals. ANC has always followed our rewards in your success and this truly translates into a long and honoring relationship with every student who graduates out of AADIM NATIONAL COLLEGE. The college takes great delight in the relationship share because tomorrow each one of you will be an encouragement to those who face the same crossroad as you are on today.

Prof. Subarna Shakya, PhD
Former Asst. Dean IOE, Pulchowk
Director, IT Innovation Center, TU

Message *from* Principal

It's a matter of pleasure and pride for me to extend a warm welcome to all our new students. As I greet you to our prestigious institution, I wish to assure you that the environment we offer here is like a home away from home. We have a team of experienced, qualified and energetic faculties and staff members to guide you through your academics.

We have a strong infrastructure with well equipped computer lab, hotel management lab, classrooms, playground and auditoriums. Our staffs are supportive and adept at using advanced teaching aids. It is our aim to help all students realize the dreams they envision. For that, we provide students with sufficient opportunities to discover and understand themselves. We also wish to help them face and overcome challenges that accost them and to make student life fulfilling and complete. We provide a holistic education.

Given a strong and sound infrastructure, we would like our students to work in an environment, where they are stretched and challenged. We have high expectations of them to achieve demanding targets.

Student leadership is within the very fabric of our institution. We have the Student Council which helps ensure that the views of our students are represented. We strive to foster emotional and social intelligence, so that they emerge as balanced human beings. We believe that it is imperative to teach students to apply what they learn. Teachers encourage students to use their judgment in applying their knowledge to a problem.

I wish success and happiness to the students and I am deeply grateful to the parents and teachers for walking in step with us at all times.

Mr. Shankar Pd. Sharma
Principal/Campus chief

MESSAGE FROM IT INDUSTRY EXPERTS

Welcome to AADIM NATIONAL COLLEGE. Our Undergraduate degrees are available in a variety of forms to suit the needs of our students and the many careers available in industry and commerce worldwide. Computer Science is a fascinating subject, and one that is now indispensable in our lives. Almost every aspect of modern life involves computing - from mobile phones, TVs, planes, trains and cars, to gaming, security and medicine. The digital world is really upon us. Looking to the future, initiatives such as cloud computing will connect us all through small portable devices, enhancing social networking and allowing us to exchange audio and video data from our daily lives.

By studying Computer Science at AADIM, you will get both an understanding of the wonderful subject that is Computer Science, and also equip yourself with the skills to have a great career ahead of you. As a student at ANC you have the opportunity to study a variety of subjects encompassing all aspects of Computer Science. We have some unique aspects in our courses. For example, our

[Aadim Innovation offers you the chance to be part of in house Research and Innovation Center](#), and gives you a real insight into being a professional.

The education at AADIM NATIONAL COLLEGE is about you, the student, supported by an enthusiastic community of professional teaching and research staff. If you decide to study Computer Science at AADIM you will benefit from our high teaching quality supported by highly competent academic and professional staffs. You will also meet the staff and students in research groups working at the leading edge of the technologies, often supported by national and international industrial links. Our teaching and research facilities are excellent, and continue to benefit from large investments in state-of-the art IT and real-time computing systems.

We hope that it encourages you to apply to study Computer Science here at AADIM. As you embark upon your University career, we, in Computer Science, would like to wish you success ahead.

INTRODUCTION

AADIM NATIONAL COLLEGE is one of the finest urban colleges in Nepal established in 2071 located at prime location of Kathmandu a walking distance from ring road near by Chuchepati petrol Pump. It is located in between big commercial complex KL TOWER & BHATBHATENI Supermarket. AADIM COLLEGE imparts the best available +2 program as per the curriculum and syllabus designed by National Examination Board (NEB) in Science, Management, Humanities and Law. At the undergraduate level, the college offers 4 years 8 semesters BCA (Bachelor of Computer Application) & BBS (Bachelor of Business Studies) degrees affiliated to TRIBHUVAN UNIVERSITY. Moreover, the college is going to launch BSc(CSIT), BIM, BIT, BBM, BSW, and MBS,MCA,MIT program in near future.

At AADIM COLLEGE, we recognize that higher education is a sound investment in your future. Whether you want to gain an edge in the job market, enhance your promotion prospects or even chart a completely new career direction, we can help you achieve your ambitions.

The common features of these programs are high-quality, up-to-date content and excellent teaching, underpinned by robust links with employers and enterprising partnerships with different industries. We focus on the key skills that employers need in the workplace, paving the way for our students to advance in sustainable, well- paid careers.

You will be taught by enthusiastic faculty with vast experience in their fields. You will also benefit from Professional training and internship in different industries in the nation or abroad.

VISION

ANC is welcoming, engaged, and committed to innovation and excellence in education, research, creative activity and community partnerships. It dares to be different and draws on its diversity to transform the individual, strengthen society and enrich the world.

MISSION

ANC's vision is to rank among Nepal's top comprehensive colleges within the next 5 years, and to be a first choice for students and faculty locally, across Nepal.

VALUES

ANC's values creativity with originality with the sense of ethics for material prosperity through spiritual refinement. ANC has adopted the motto of "Innovation is our Tradition."

Why us

QUALITY OF LIFE

ANC values a secure and respectful learning environment and workplace. AADIM COLLEGE is committed to promoting a healthy, safe and sustainable campus and to enhancing the quality of life of the community in which we live.

INNOVATION AND ENTREPRENEURSHIP

We have an exciting innovation programme, which offers you the chance to work collaboratively with students from other subject areas to develop new business ideas and inventions. Guided by the AADIM INNOVATION Center's Experts, you will be able to work with local employers, industry experts and some of the latest technology to bring your ideas to life. The project will enable you to develop your entrepreneurial skills and some students will even have the chance to pitch their ideas to a panel of business leaders.

EXCELLENCE

ANC prioritizes the curiosity and engagement of its faculty, staff, and students. The Curiosity about the world around us, respectful engagement with those who inhabit it, and strong determination to improve it lead to productive exploration of current understandings, a rich spectrum of creative activity and practice, and the creation and dissemination of new knowledge.

OPPORTUNITY

ANC values the openness and respect necessary in order to provide opportunities to a highly diverse students. Diversity at AADIM COLLEGE is interpreted broadly. AADIM COLLEGE provides students with different and original ways of exploring their interests. Enabling faculty, staff and students to make a progressive impact on their world in ways that respect and engage the uniqueness of each individual is a hallmark of AADIM COLLEGE.

SUPPORTING YOU ALL THE WAY

We are dedicated to helping you achieve your potential. With this in mind, we provide a wide range of support services to make your time inside and outside the classroom easier and more enjoyable.

CAREER COACH

We offer the online Career Coach service, which is designed to provide you with the most current local data on wages, employment, job postings and relevant training on hundreds of potential careers. For more information, please visit: www.aadimcollege.edu.np

WORK EXPERIENCE

We work closely with local employers and an organization called **Learning to Work** to offer students structured work experience programmes and internships, which will enable you to gain a valuable insight into real work environments

AADIM CLUBS ACITIVITIES

At AADIM, students can join a variety of clubs to broaden their experiences and horizons. The student-run clubs offer a wide range of activities tailored to the objectives of each group, allowing you to explore interests and passions you may not have known you possessed in addition to your present ones. The clubs will connect you with other students who share their interests and help you develop vital leadership, social, and personal skills, as well as life skills. You get the chance to apply what you learn in the classroom to real-world situations through the clubs. By giving students a stage on which to showcase their abilities, they also help them harness a variety of interests.

AADIM ROBOTICS CLUBS

Workshops and Training Sessions: Regular workshops on topics like Arduino programming, CAD design, sensor integration, and machine learning.

Projects: Students work on various projects ranging from simple line-following robots to more complex autonomous drones or robotic arms.

Competitions: Participation in local, national, and international robotics competitions.

Hackathons and Coding Competitions: Events that challenge students to develop robotic solutions within a limited time frame.

Guest Lectures and Industry Talks: Inviting experts from the robotics industry to share their experiences and insights.

RESOURCES AND FACILITIES

Lab Space: Access to a dedicated robotics lab equipped with tools and components like microcontrollers, sensors, actuators, and construction materials.

Funding: Financial support from the college or self-sponsors for purchasing equipment and participating in competitions.

Mentorship: Guidance from faculty advisors and experienced club members.

MEMBERSHIP AND PARTICIPATION

Eligibility: Open to all students, regardless of their major, who are interested in robotics.

Meetings: Regular meetings to discuss progress, plan activities, and coordinate projects.

Committees: Sub-groups focusing on specific areas like hardware design, software development, and event planning.

BENEFITS OF JOINING

Skill Development: Gain practical skills in programming, electronics, mechanical design, and project management.

Networking: Connect with peers, faculty, and industry professionals.

Portfolio Building: Work on projects that can be showcased in resumes and portfolios.

Career Opportunities: Exposure to potential career paths in robotics, automation, and related fields.

AADIM Clubs

SPORTS CLUB

The Sports Club at AADIM is a dynamic student organization that promotes physical fitness, teamwork, and healthy competition through various sports and recreational activities. This club provides opportunities for students to engage in athletic pursuits, develop their skills, and enjoy the camaraderie that comes with team sports.

LITERATURE CLUB

The Literature Club at AADIM is a vibrant student organization that celebrates and explores the world of literature. This club provides a platform for students to engage with literary works, enhance their appreciation for literature, and develop their creative and analytical skills.

MUSIC CLUB

The Music Club at AADIM is a dynamic student organization dedicated to exploring, performing, and appreciating various forms of music. This club provides a platform for students to develop their musical talents, collaborate with others, and engage in a wide range of music-related activities.

ECO CLUB

ECO (Environmental Conservation and Outreach) Clubs at colleges play a crucial role in promoting environmental awareness and sustainability among students. These clubs provide a platform for students to engage in activities that protect the environment, educate the campus community about ecological issues, and promote sustainable practices.

MATHEMATICS CLUB

Mathematics Clubs at AADIM provide a supportive and stimulating environment for students interested in mathematics to explore advanced concepts, engage in problem-solving activities, and foster a love for the subject. These clubs offer a range of activities designed to enhance mathematical skills, promote collaborative learning, and connect students with like-minded peers and professionals.

MR. & MISS AADIM

Mr. & Miss College is a prestigious event held at many colleges to recognize and celebrate the talents, intelligence, personalities, and overall excellence of their students. This event typically includes various rounds that test contestants in multiple areas such as talent, public speaking, fashion, and academic knowledge.

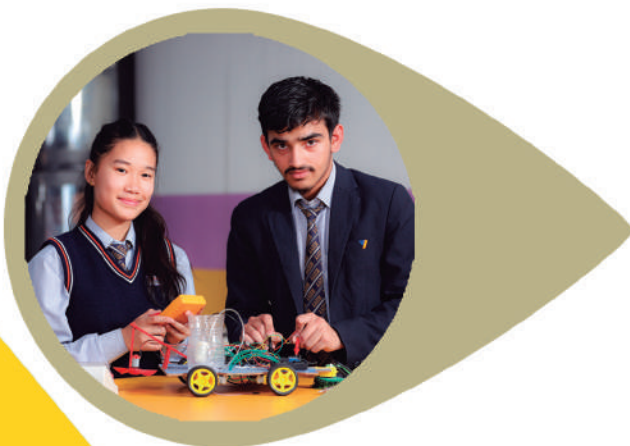

Plus 2

Plus 2 Science

For inquiring minds,
science is waiting to be
explored at AADIM

Whether you are considering a career in Engineering, Medicine, IT, our science department will have a course that will allow you to achieve your goal. When it comes to the practical side of science, you'll develop industry relevant lab techniques within our well equipped Physics, biology, chemistry and Computer labs. We'll also help you develop your science communication skills by enhancing your report writing and presentation skills, preparing you for the workplace or further study. Our Science and IT Exhibition programs brings into theoretical concepts to real worlds.

Plus 2 Computer Science

AADIM Invest in technology and innovation, ensuring that students have strong computer science skills is crucial for maintaining global competitiveness.

Computer Science at AADIM equips students with essential skills, prepares them for future careers, fosters innovation, promotes responsible digital citizenship, and enhances interdisciplinary learning. By building a strong foundation in computer science, students are better prepared to navigate and contribute to a technologically driven world.

Joining
AADIM

College was one of the best things I have done as it helped build my confidence, build so many friendships and made me realise my potential.

Hotel Management with Barista Coffee School

Whether focused on fine dining, brewing coffee or honing leadership skills, our students enjoy fantastic, hands-on learning experiences, preparing them for some of the top employers in the region & beyond.

ABOUT PLUS 2 COURSE

AADIM College imparts the best plus2 courses as per the curriculum and syllabus designed by NEB.

The College offers the following courses:

- Unprivileged and Remote Area Scholarships
- Extraordinary Skill Scholarships, e.g. in music, sports
- Scholarships of all categories will be for one academic year only.

Bachelor

BCA

BACHELOR OF COMPUTER APPLICATION

ABOUT BCA

Bachelor in Computer Application (BCA) is an undergraduate degree course in computer applications. With the rapid growth of IT industry in Nepal, the demand of computer professional is increasing day by day. This increasing growth of IT industry has created ample opportunities for the computer graduates.

Bachelor in Computer Application (BCA) is one of the popular courses among the students aspiring to make their career in the IT (Information Technology) field. The duration of the course is 4 years and divided into 8 semesters. It comprises of the subjects like database, networking, data structure, core programming languages like 'C' and 'java'. This course provides a lot of opportunities to the students who are interested in computer field and wants to work in the diverse IT sector such as programmer or software developer.

OBJECTIVES

The objective of the BCA program at the Faculty of Humanities and Social Sciences of Tribhuvan University is to produce high quality computer application users and developers.

The candidate applying for BCA program must have:

- Successfully completed a twelve-year schooling or equivalent from any University, Board or Institution recognized by Tribhuvan University.
- Secured a minimum of second division (45%) or minimum C grade in all subjects in the twelve-year schooling or equivalent.
- Secured minimum CGPA 2.0.

ADMISSION CRITERIA

Candidates who pass the entrance exam taken by university will be interviewed and the selected candidate from interview will be eligible for admission.

BBS

WITH BBA STANDARD

BBS level (Bachelor of Business Studies) is one of the well recognized TU-affiliated 4-years academic program which lays a strong foundation in required areas of business such as Economic Analysis of the business world, language, legal environment, quantitative methods and research methods to prepare graduates to understand, analyze and comprehend the management concepts, theories and practices. In order to provide graduates with significant degree of functional expertise, this program also provides opportunity to concentrate on one area of specialization such as accounting, finance, management science, human resource management and marketing. After the completion of this level, BBS graduates will be able to develop necessary foundation for further higher studies in management and thereafter take up careers in teaching, research and consultancy and/or many more.

OBJECTIVES

- ▶ Equip the students with the required conceptual knowledge of business and administration to develop a general management perspective in them.
- ▶ Develop required attitudes, abilities and practical skill in students, which constitute a foundation for their growth into competent and responsible business managers.
- ▶ Encourage entrepreneurial capabilities in students to make them effective change agents in the Nepalese society.
- ▶ Develop necessary foundation for higher studies in management and thereafter take up careers in teaching, research and consultancy.

ELIGIBILITY CONDITIONS FOR ADMISSION

The candidate applying for admission to the BBS programme:

- ▶ Must have successfully completed the 10+2 in business/commerce or an equivalent course from a Higher Secondary School Board, or from TU, or from any other University/Board recognized by TU.
- ▶ Must have studied English as a full paper at 10+2 Level
- ▶ Must have secured the minimum marks at 10+2 or equivalent as prescribed by the Faculty Board or the campus concerned.
- ▶ Must satisfy any other entry requirements or criteria including the entrance test as prescribed by the University

SHIFT: 6:20-10:10 (Morning)

First year

Business English
Business Statistics
Microeconomics for Business
Financial Accounting and Analysis 1
Principles of Management
Computer Course (Advanced word, Excel, Powerpoint, Tally)

Second Year

Business Communication
Macroeconomics for Business
Cost and Management Accounting
Organizational Behavior & Human Resource Management
Fundamentals of Financial Management

Third Year

Business Law
Foundation of Financial Systems
Business Environment and Strategy
Taxation in Nepal
Fundamentals of Marketing

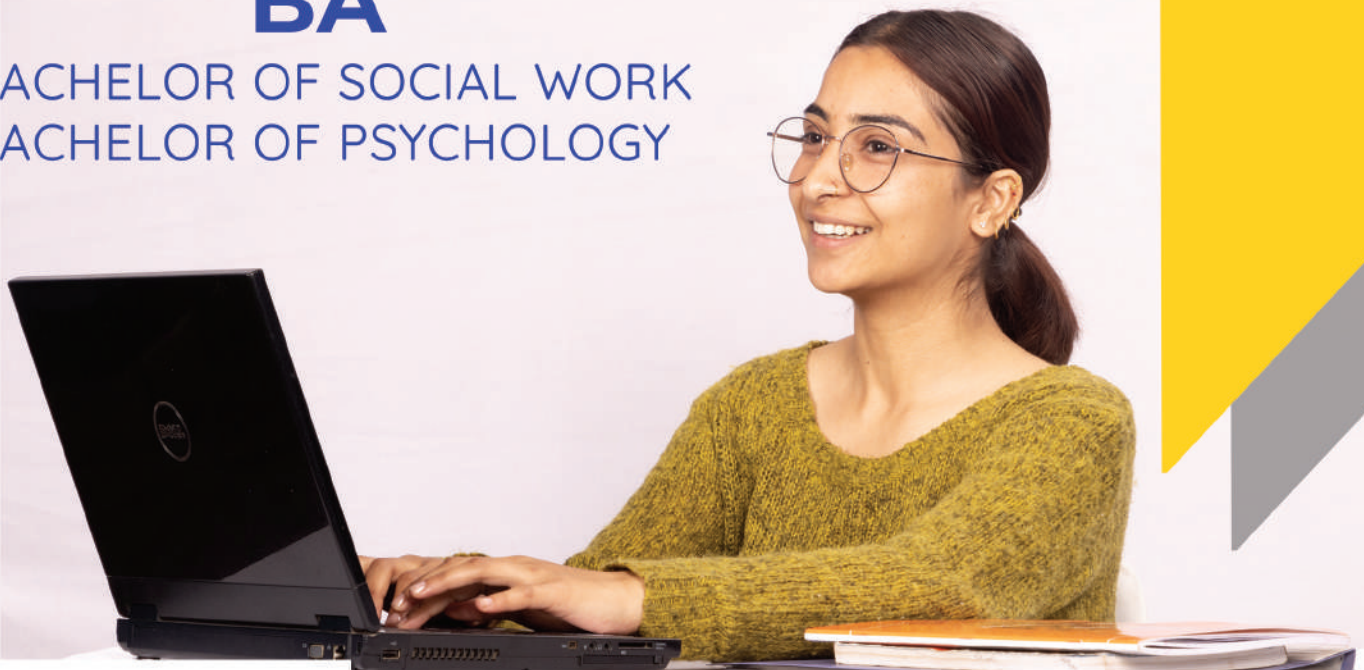

Fourth Year

Entrepreneurship
Concentration I
Concentration II
Concentration III
Business Research Methods
Final Project

BA

BACHELOR OF SOCIAL WORK BACHELOR OF PSYCHOLOGY

Bachelor of Arts in Social Work & Psychology are a four year academic program under Faculty of Humanities and Social Sciences of Tribhuvan University. The main aim of this program is to produce generalist social workers to fulfill the need of contemporary Nepal as well as the world.

WHY BA AT AADIM

Camp: Conducted during the break of Dashain and Diwali every year. This is scheduled for 10 days.

Field Works: Frequently conducted as per the fulfillment of course work.

Agency Placement: Scheduled for two days every week where the students are placed in agencies as per the fulfillment of the course.

Individual Conference

Group Conference

Partnership Program

National and International Program

“ I was never the most engaged student at high school but at AADIM, I find it easy to keep myself engaged. The college is a unique, and supportive place to gain qualifications for my life goals. ”

EVALUATION

Evaluation in BA will be on the basis of 30 percent internal and 70 percent external assessment. Forty percent internal evaluation will be done by the BA department/Campus on the basis of the following criteria:

A. Class attendance	: 5 marks
B. Class participation, and presentation	: 5 marks
C. Assignment	: 10 marks
D. Class test (writing)	: 10 marks

FIELD WORK

Field work is an essential part of social work & psychology program. The students are expected to undergo minimum of 10hrs per week practical field work. The students are evaluated on the basis of their attendance, application of professional skills in the field and reflection. The faculty/field work supervisors, both from the institutes and agency. Besides this, the course intends to furnish the students with Report Writing, Individual Conference, Group Conference, Neighborhood Camp, Rural Camp, Urban Camp, Block Placement and so on.

ELIGIBILITY FOR ADMISSION

The candidate must have successfully completed the 10+2 or equivalency with minimum D+ in each subject
