MESSAGE FROM CHIEF ADVISOR

I feel elated and extremely confident to welcome you to AADIM NATIONAL COLLEGE (ANC) family. AADIM NATIONAL COLLEGE was opened in recognition of the need for the provision of a broad system of educational excellence, one that would meet the demands of parents who want their CHILDREN to be equipped with the necessary skills and moral qualities to prepare them for the challenges of the modern world. If, as I did, you have chosen to entrust AADIM NATIONAL COLLEGE with your beloved CHILD's education, you have made the best choice. ANC vision stands on our beliefs and vows to change every student into an ambassador for their own semblance. Education is not only a way of learning new things but also looking at the world in a different way. Let me accumulate my content experience of 30 years in a magic listing that can help you make a correct decision for life.

Placement is our utmost priority and lasting relationship with corporate world is being initiated to ensure worthy placements to our students. The College has a galaxy of qualified faculties. We strive to produce responsible and excellent quality IT and Management professionals. ANC has always followed our rewards in your success and this truly translates into a long and honoring relationship with every student who graduates out of AADIM NATIONAL COLLEGE. The college takes great delight in the relationship share because tomorrow each one of you will be an encouragement to those who face the same crossroad as you are on today.

Prof. Dr. Subarna Shakya
Chief Academic Advisor
Director, IT Innovation Center, TU

MESSAGE FROM PRINCIPAL

It's a matter of pleasure and pride for me to extend a warm welcome to all our new students. As I greet you to our prestigious institution, I wish to assure you that the environment we offer here is like a home away from home. We have a team of experienced, qualified and energetic faculties and staff members to guide you through your academics.

We have a strong infrastructure with well equipped computer lab, hotel managment lab, classrooms, playground and auditoriums. Our staffs are supportive and adept at using advanced teaching aids. It is our aim to help all students realize the dreams they envision. For that, we provide students with sufficient opportunities to discover and understand themselves. We also wish to help them face and overcome challenges that accost them and to make student life fulfilling and complete. We provide a holistic education. Given a strong and sound infrastructure, we would like our students to work in an environment, where they are stretched and challenged. We have high expectations of them to achieve demanding targets.

Student leadership is within the very fabric of our Institution. We have the Student Council which helps ensure that the views of our students are represented. We strive to foster emotional and social intelligence, so that they emerge as balanced human beings. We believe that it is imperative to teach students to apply what they learn. Teachers encourage students to use their judgment in applying their knowledge to a problem.

I wish success and happiness to the students and I am deeply grateful to the parents and teachers for walking in step with us at all times

Mr. Shankar Pd. Sharma
Principal/Campus Chief

INTRODUCTION

AADIM NATIONAL COLLEGE is one of the finest urban colleges in Nepal established in 2071 located at prime location of Kathmandu a walking distance from ring road near by Chuchepati petrol Pump. It is located in between big commerical complex KL TOWER & BHATBHATENI Supermarket. AADIM COLLEGE offers 4 years 8 semesters BCA,BBS, BSW and BA in Pyschology degrees affiliated to TRIBHUVAN UNIVERSITY. Moreover, thecollege is going to launch BSc(CSIT), BITM, BIT, BBA, and MBS, MCA, MIT program in near future. At AADIM COLLEGE, we recognize that higher education is a sound investment in your future. Whether you want to gain an edge in the job market, enhance your promotion prospects or even chart a completely new career direction, we can help you achieve your ambitions.

The common features of these programs are high-quality, up-to-date content and excellent teaching, underpinned by robust links with employers and enterprising partnerships with different industries. We focus on the key skills that employers need in the workplace, paving the way for our students to advance in sustainable, well- paid careers.

You will be taught by enthusiastic faculty with vast experience in their fields. You will also benefit from Professional training and internship in different industries in the nation or abroad.

MESSAGE FROM IT INDUSTRY EXPERTS

Welcome to AADIM NATIONAL COLLEGE. Our Undergraduate degrees are available in a variety of forms to suit the needs of our students and the many careers available in industry and commerce worldwide. Computer Science is a fascinating sub-ject, and one that is now indispensable in our lives. Almost every aspect of modern life involves com-puting - from mobile phones, TVs, planes, trains and cars, to gaming, security and medicine. The digital world is really upon us. Looking to the future, initiatives such as cloud computing will con-nect us all through small portable devices, enhanc-ing social networking and allowing us to exchange audio and video data from our daily lives.

By studying Computer Science at AADIM, you will get both an understanding of the wonderful sub-ject that is Computer Science, and also equip your-self with the skills to have a great career ahead of you. As a student at ANC you have the opportunity to study a variety of subjects encompassing all aspects of Computer Science. We have some unique aspects in our courses.

Aadim Innovation offers you the chance to be part of in house Research and Innovation Center, and gives you a real insight into being a professional.

The education at AADIM NATIONAL COLLEGE is about you, the student, supported by an enthusi-astic community of professional teaching and research staff. If you decide to study Computer Science at AADIM you will benefit from our high teaching quality supported by highly competent academic and professional staffs. You will also meet the staff and students in research groups working at the leading edge of the technologies, often supported by national and international industrial links. Our teaching and research facilities are excellent, and continue to benefit from large investments in state-of-the art IT and real-time computing systems.

We hope that it encourages you to apply to study Computer Science here at AADIM. As you embark upon your University career, we, in Computer Science, would like to wish you success ahead.

BACHELORS IN COMPUTER APPLICATION

Bachelor in Computer Application (BCA) is an undergraduate degree course in computer applications. With the rapid growth of IT industry in Nepal, the demand of computer professional is increasing day by day. This increasing growth of IT industry has created ample opportunities for the computer graduates.

Bachelor in Computer Application (BCA) is one of the popular courses among the students aspiring to make their career in the IT (Information Technology) field. The duration of the course is 4 years and divided into 8 semesters. It comprises of the subjects like database, networking, data structure, core programming languages like 'C', 'java' and .NET.

OBJECTIVES

The objective of the BCA program at the Faculty of Humanities and Social Sciences of Tribhuvan University is to produce high quality computer application users and developers.

WHY CHOOSE BCA AT AADIM?

1. Academic Excellence

- TU-Affiliated Program: BCA program affiliated with Tribhuvan University, Nepal's leading academic institution.
- Qualified & Caring Faculty: Learn from experienced lecturers, software engineers, and IT professionals.
- Project-Based Learning: Focus on real-world application through mini-projects, presentations, and case studies in every semester.

2. Career-Oriented Approach

- **100% Internship Opportunity:** Guaranteed internship placement in Semester V and VI with IT companies, banks, or development firms.
- Job Placement Support: Career counseling, CV writing workshops, mock interviews, and job referrals in Semester VII and VIII.
- Industry Collaboration: Partnered with tech companies and startups for internships, seminars, and live projects.

3. Technical & Practical Exposure

- Modern Computer Labs: High-performance systems, licensed software, and fast internet for seamless learning.
- Extra Certifications: Get training in Python, Java, Web Development, Database Management, AI/ML basics, and more.
- Workshops & Tech Events: Participate in coding bootcamps, app development competitions, hackathons, and tech expos.

4. Supportive College Environment

- Small Class Sizes: Personalized attention and mentoring for each student.
- Student Clubs & Activities: IT Club, project exhibitions, sports, and student-run events to build leadership and communication skills.
- Friendly & Disciplined Atmosphere: Safe, inclusive, and motivating environment for growth.

5. Affordable & Value-Packed Education

- Competitive Fee Structure: Full BCA program offered at a reasonable cost.

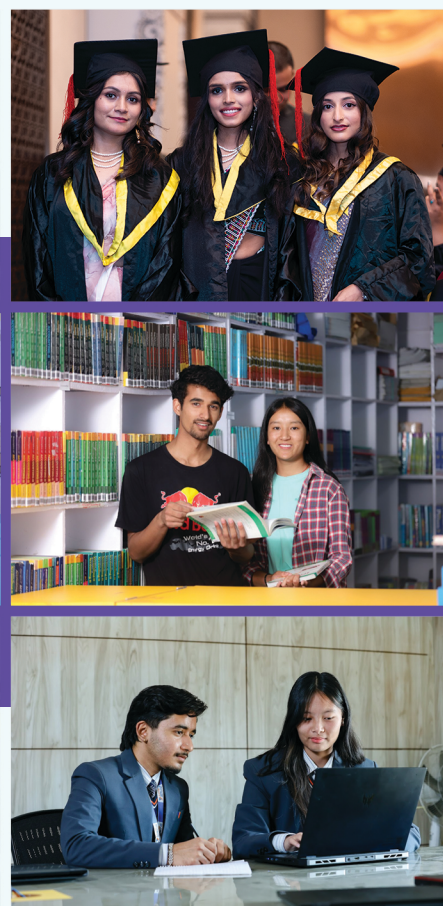

6. Ideal Location & Accessibility

- Central Kathmandu Location: Located in Chabahil, with easy access to transportation, banks, IT hubs, and hostels.
- Strong Community Network: Join a growing network of students, alumni, and tech professionals.

7. Build Your IT Future at Aadim

- Start your journey towards becoming a software developer, IT officer, web/mobile app developer, or tech entrepreneur – with a strong foundation from Aadim.

Have been enjoying my college life to the fullest with the presence of optimistic people..

Aadim Innovation is a dynamic and forward-thinking platform initiated by Aadim National College, dedicated to nurturing and empowering IT students through real-world exposure, hands-on projects, internships, and job placement support. Our mission is simple yet powerful – bridge the gap between academic learning and industry readiness.

WHAT WE DO

- **Internships:** We connect students with real-time internship opportunities in top-tier companies across Nepal, allowing them to apply their classroom knowledge to actual IT environments.
- **Skill Development:** Through mentorship, tech workshops, and industry-driven projects, students gain practical skills in software development, networking, cybersecurity, data analysis, AI, and more.
- **Job Placement:** Our placement assistance is result-oriented – many of our students have already secured positions in reputed tech companies like F1Soft, Kritim Mind Technology, and more.
- **Startup Incubation:** Students are encouraged to innovate and even build their own startups with guidance from experienced professionals and mentors.

WHO WE ARE

- A Unit of Aadim National College
- Over 50+ active student members
- Includes BCA and BSc CSIT students from various semesters
- Led by industry experts, faculty mentors, and alumni

SUCCESS STORIES

Several students from Aadim Innovation have been placed in well-known IT companies, and many are working part-time while still continuing their bachelor-level education. Our model empowers students to build strong portfolios, gain job-ready experience, and excel academically at the same time.

WHY AADIM INNOVATION?

- Real Industry Projects
- Internship from Semester IV
- 100% Job Placement Assistance from Semester VII
- Access to tech meetups, hackathons & guest lectures
- Career mentorship & soft skill development

YOUR FUTURE STARTS HERE

Aadim Innovation is not just an initiative – it's a movement toward producing the next generation of IT leaders, developers, and innovators.

If you're passionate about technology and ready to transform your future, Aadim Innovation is the place to start.

BBS

BACHELOR OF BUSINESS STUDIES

BBS level (Bachelor of Business Studies) is one of the well-recognized TU-affiliated 4-years academic program which lays a strong foundation in required areas of business to prepare graduates to understand, analyze and comprehend the management concepts, theories and practices. After the completion of this level, Students will be able to develop necessary foundation for further higher studies in management and thereafter take up careers in teaching, research, business, startup and consultancy and/or many more.

WHY AADIM FOR BBS?

- Personality Development Training
- Knowledge of business and administration to develop a general management perspective in them
- Computer Graphics & Website Designing Training
- Internship in Bank, Financial Institutions & Insurance
- Continuous internal assessment for growth in students' academics
- Concentrated on a specialized area such as business accounting, finance, human resource management, or marketing
- Professional Training - Non-syllabus courses cover latest and important changes in business & administration
- Develop required attitudes, abilities and practical skill in students.
- Encourage entrepreneurial capabilities in students.

Aadim National College has been a transformative journey, where supportive faculty, a vibrant community, and ample opportunities have empowered me to grow confidently both academically and personally.

- Archana Kafle
BA Psychology 3rd Year Student

BA IN PSYCHOLOGY

BACHELOR OF ARTS IN PSYCHOLOGY

The BA in Psychology under Tribhuvan University (TU) is a 4-year undergraduate program designed to provide students with a strong foundation in psychological theories, research methods, and practical applications. The course explores human behavior, mental processes, and emotional functioning through subjects like developmental psychology, abnormal psychology, social psychology, and counseling. It aims to develop critical thinking, research skills, and a deeper understanding of mental health. This program prepares students for further studies and careers in counseling, education, social work, and psychological research.

WHY CHOOSE BA IN PSYCHOLOGY AT AADIM?

1. TU Affiliation: Aadim is affiliated with Tribhuvan University, Nepal's most reputed and widely recognized university. Your degree will be valid for jobs and further studies, both nationally and internationally.

2. Qualified Faculty: The college offers experienced and dedicated faculty who provide personal attention and mentorship to help students understand both theoretical and practical aspects of psychology.

3. Balanced Curriculum: The program covers key areas like abnormal psychology, counseling, research methods, and developmental psychology, blending academic study with hands-on learning.

4. Skill Development: Aadim emphasizes project-based learning, case studies, and research, helping students build real-world skills early in their academic journey.

5. Affordable Fees: Compared to many private institutions, Aadim offers a cost-effective education with good value. Scholarships may also be available based on merit or financial need.

6. Prime Location: Located in Chabahil, Kathmandu, the college is easily accessible and offers opportunities for internships, exposure to clinics, NGOs, and psychology-related events.

7. Career Support: The college may provide career guidance, workshops, and counseling for students planning to pursue higher studies or careers in psychology, teaching, HR, or social work.

BA COURSE

FIRST YEAR

Introduction to Psychology

Social Psychology

SECOND YEAR

Abnormal Psychology

Adolescent and Juvenile Delinquency

THIRD YEAR

Psychosocial Counseling

Elective courses

FOURTH YEAR

Industrial and Organizational Psychology

BSW

BACHELORS IN SOCIAL WORK

Bachelor of Arts in Social Work is a four year academic program under Faculty of Humanities and Social Sciences of Tribhuvan University. The main aim of this program is to produce generalist social workers to fulfill the need of contemporary Nepal as well as the world.

WHY CHOOSE BACHELORS IN SOCIAL WORK AT AADIM?

1. TU Affiliation

Aadim National College is affiliated with Tribhuvan University, ensuring your BSW degree is well-recognised for career opportunities and further studies in Nepal and abroad

2. Experienced Faculty

The college has qualified social work educators with both academic knowledge and field experience. They offer personal mentorship and guidance to students.

3. Field-Based Curriculum

The BASW program includes compulsory fieldwork, community projects, and internships, allowing students to directly engage with real social issues and gain practical experience.

4. Holistic Learning

Alongside core social work subjects (like sociology, psychology, and human rights), Aadim focuses on developing critical thinking, communication, and problem-solving skills.

5. Affordable & Accessible

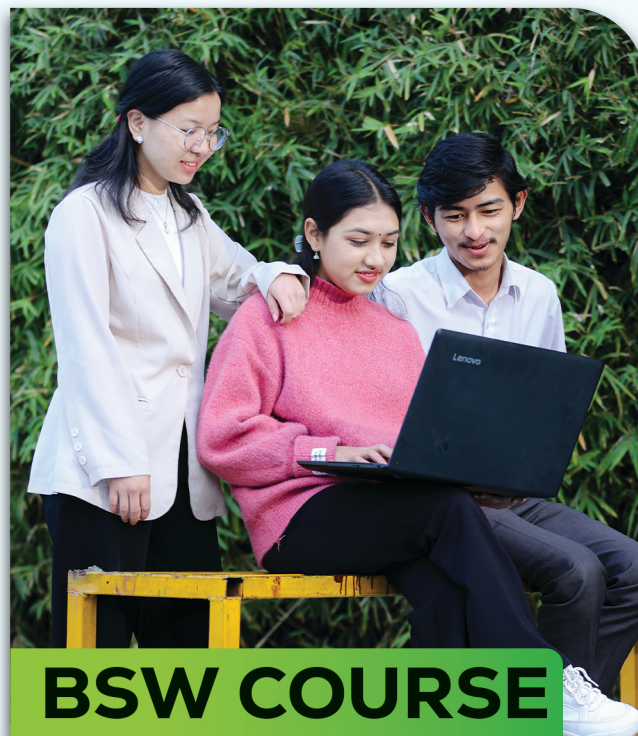

The college offers a cost-effective program with scholarship options. Its Kathmandu location provides easy access to development agencies, NGOs, and training centers.

6. Strong Community Connections

Aadim maintains links with local NGOs and INGOs, which helps students secure internships, field visits, and hands-on learning in real social work environments.

7. Career & Higher Study Pathways

Graduates can work in NGOs, INGOs, schools, community services, and government agencies, or pursue a Master in Social Work (MSW) or related fields.

BSW COURSE

FIRST YEAR

Introduction to Social work

Basic Sociology for Social work
